## WORK STUDY SESSION

**Work Study Sessions:** Work Study Sessions provide a less formal setting for the Mayor and City Council to discuss specific topics, at length, with each other and City staff; to provide an opportunity for the public to observe these discussions or to share information with the public; and for staff to receive direction from the Council.

### Public Comment

To provide an opportunity for public input, yet continue to maximize the amount of time available for the Council to have focused discussions with each other, a total of fifteen minutes will be set aside at the beginning of each work study session for public comment. This comment time is reserved for items on the prepared agenda and will occur at the beginning of the work study session only. If you have thoughts or suggestions on the work study session items you would like the Council to consider, but do not wish to speak, you are encouraged to complete the comment sheet and submit your written comments to the City Clerk. The Clerk will ensure the Council receives your comments at various times throughout the evening. Additional time for public comment may be granted at the Chair's discretion.
